

ID	WORKER1
Purpose	Test viewing user profile when not assigned any hours
Set Up	The worker is registered but has not been assigned working hours
Steps	1. Log in as worker
	2. Navigate to profile page
Expected Result	The profile page is displayed but no hours or bookings are displayed

ID	WORKER2
Purpose	Test viewing user profile when assigned a booking
Set Up	The worker has been assigned hours and a booking has been made with them
Steps	1. Log in as worker
	2. Navigate to profile page
Expected Result	The booking details and time are displayed on the profile page

ID	CUSTOMER1
Purpose	Test booking cancellation with more than 48 hours until appointment time
Set Up	The customer is registered and has a booking with more than 48 hours until appointment time
Steps	1. Log in as customer
	2. Navigate to bookings page
	3. Select cancel booking
	4. Accept confirmation prompt
Expected Result	Cancel booking and display a message that booking is cancelled

ID	CUSTOMER2
Purpose	Test booking cancellation with less than 48 hours until appointment time
Set Up	The customer is registered and has a booking with less than 48 hours until appointment time
Steps	1. Log in as customer
	2. Navigate to bookings page
	3. Select cancel booking

Expected Result	System reports that bookings cannot be cancelled within 48 hours of the appointment
